The Petitioner hereby disclaims the terminal part of any patent granted on the above-identified application or on any continuations thereof which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 5,323,396 which issued on June 21, 1994 and as presently shortened by any terminal disclaimer and hereby agrees that any patent so granted on the above-identified application or on any continuations thereof shall be enforceable only for and during such period that the legal

title to said patent shall be the same as legal title to U.S. Patent 5,323,396. This agreement shall run with any patent granted on the above-identified application and is binding upon the grantor, its successor and assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration and the full statutory term of U.S. Patent No. 5,323,396 in the event it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any Terminal Disclaimer, except for the separation of legal title stated above.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Please charge our Deposit Account No. 14-1270 for the Terminal Disclaimer fee and any other fees required by this Disclaimer.
